## HOLDINGS OF LLOYD'S REGISTER AND LLOYD'S LIST

The following are a list of libraries who hold Lloyd's Register and List. It shows the holdings of Lloyd's Register only, it does not include registers of shipowners nor any other appendices.

Access to the registers is to be taken up with the individual libraries concerned. The World Ship Society is a voluntary association and research organisation. Their registers are held at various locations and are used by WSS members for answering enquiries from other WSS members.
